Hi, guys!

My name's Rikki Chadwick and I'm a cool young woman and also a sexy mermaid.

I've got a secret that not even Cleo and Emma know about. Last week I went to Mako Island alone. As always I went there in my mermaid-form. There I met a mermaid-queen named Dharia. She gave me a look into the future. I saw Zane and me, married and happy together with a cute daughter. The bad thing is that as a price Dharia made me a Homo Aquarius Diabolum, a mermaid-destroyer. Now I can't make physical contact with another mermaid without killing her.

I'm so mad at Dharia. How the fuck could she outsmart me? Nobody's gonna outsmart me like that and get away with it!

I wanna tell Cleo and Emma, but if I do they might be mad at me for doing what I did...

Yes, it was wrong to trust Dharia, I know that, but I wanted to know if there was a future for me and Zane. A bright and happy one.

Sure, I got to see the future and it was a good one, but now I wish

that I hadn't done what I did.

That bitch Dharía is in so much fuckin' trouble if I ever see her again!

You don't just mess with Rikki Chadwick that way!

I'm no stupid blonde!

I'm a strong, sassy woman!

There's gotta be a way to remove the darkness within me. I don't wanna be a mermaid-destroyer. My best friends are mermaids.

I don't wanna kill Cleo and Emma.

No, I can't keep this a secret anymore.

I'm gonna tell Cleo and Emma. I'm gonna call Cleo right now.

That's it from me!

Bye!
